The map displays Middle Butler Forest Rd, a horizontal road running across the frame. To the left, a vertical line marks the boundary of Eau Claire County. A blue paint line is located near this boundary. A red, single-sided paint line runs along the southern side of the road, defining a Wildlife Island/RMZ (3 acres) area. This area is shaded with diagonal lines. A survey marker (a circle with a crosshair) is located on the road just east of the county boundary. Further east, a section corner is marked with a large black crosshair, with the numbers 31, 32, 6, and 5 surrounding it. A dashed line indicates a woods road branching off to the north. A solid line with cross-ticks represents an old skid trail. A north arrow is located in the bottom right corner. A legend in the bottom right corner defines the symbols: Wildlife Tree (outside sale area, DO NOT CUT), Survey Marker, Woods Road, Old Skid Trail, Blue Paint Line, Single-Sided Red Paint Line, Section Corner, and Wildlife Island/RMZ (3 acres). A label '1.5 Miles to HWY H' with an arrow points west from the road.
