Breastfeeding Consultations

The Clark County Health Department offers no -cost, one-on-one lactation consultations to mothers who reside in Clark County. Consultations are not time-limited, and mothers and infants may return as often as needed. Our goal is to support mothers throughout their breastfeeding journeys, helping to improve infant feeding practices and promote positive outcomes for both infants and mothers. Want to learn more about breastfeeding from the comfort of your home? Visit our YouTube Channel for quick tips and helpful tricks to support you along your breastfeeding journey. <https://www.youtube.com/@ClarkCountyPublicHealth>
